5) If register is successful message will display at top of form like this

member registration form: data sucessfully insert in table registration

How to edit and delete registered member:

Steps to edit register form are as follow:

1) After register, admin can see list of member by clicking on member list.

The screenshot shows the Muscle Factory Gym dashboard. The top navigation bar includes links for DASHBOARD, MEMBERS LIST (circled in blue), EXERCISE LIST, TRAINER LIST, IMAGES LIST, VIDEOS LIST, and LOGOUT. Below the navigation bar, there are seven main menu items: MEMBER REGISTER, TRAINER REGISTER, ENTRY RECORD, EXERCISE, IMAGES, VIDEOS, and PAYMENT RECORD. The main content area displays two sections: 'member entry action:' and 'member payment action:'. The 'member entry action:' section includes a search bar with the placeholder 'mm/dd/yyyy' and a 'search...' button. The 'member payment action:' section includes a search bar with the placeholder 'this months' and a 'search...' button. At the bottom of the dashboard, there is a Twitter logo and a message: 'Muscle Factory Gym has a range of great membership deals to suit your individual circumstances and lifestyle. What's more, there is no joining fee and no contract, you just need to give us 1 months' notice if you sign up as a member and can no longer come Mr.sharan shrestha'.

2) Then there is edit button on list of member. Click on edit to edit member

<div>  <div> DASHBOARD MEMBERS LIST EXERCISE LIST TRAINER LIST IMAGES LIST VIDEOS LIST LOGOUT </div> </div>							
Member list							
Member ID	Member name	Member address	Member email	Member contact	joinDate	package ID	actions
14	mm	mm	m@gmail	9841599093	2017-07-19	gym	delete edit view details
15	mm	mm	mm@gmail.com1	9841599093	2017-07-24	gym	delete edit view details
16	mm	mm	mmmm@gmail.com	9841595593	2017-07-20	gym	delete edit view details
17	mm	mm	jpt@gmail.com	9841599093	2017-07-01	gym	delete edit view details
18	savin	gokarneshwor-12	saran@gmail.com	9841599093	2017-07-05	gym	delete edit view details

3) Then new form will appear with current data and can edit from that form.

Member Name:	weight(in kg):
<input type="text" value="mm"/>	<input type="text" value="45"/>
Member Address:	height(feet):
<input type="text" value="mm"/>	<input type="text" value="15"/>
Member Email:	height(inch):
<input type="text" value="m@gmail"/>	<input type="text" value="5"/>
Username:	Member Contact:
<input type="text" value="m"/>	<input type="text" value="9841599093"/>
Password:	Join Date:
<input type="password" value="....."/>	<input type="text" value="07/19/2017"/>
Re-password:	Package:
<input type="text" value="please re-enter password"/>	<input type="text" value="gym"/>
Date of Birth:	BMI:
<input type="text" value="07/01/2017"/>	<input type="text" value="1.9919429008239518"/>
<input type="button" value="submit"/>	

4) After completing edit of data click on submit to update successfully and then message will display at top of form.

edit user registration form: data successfully update

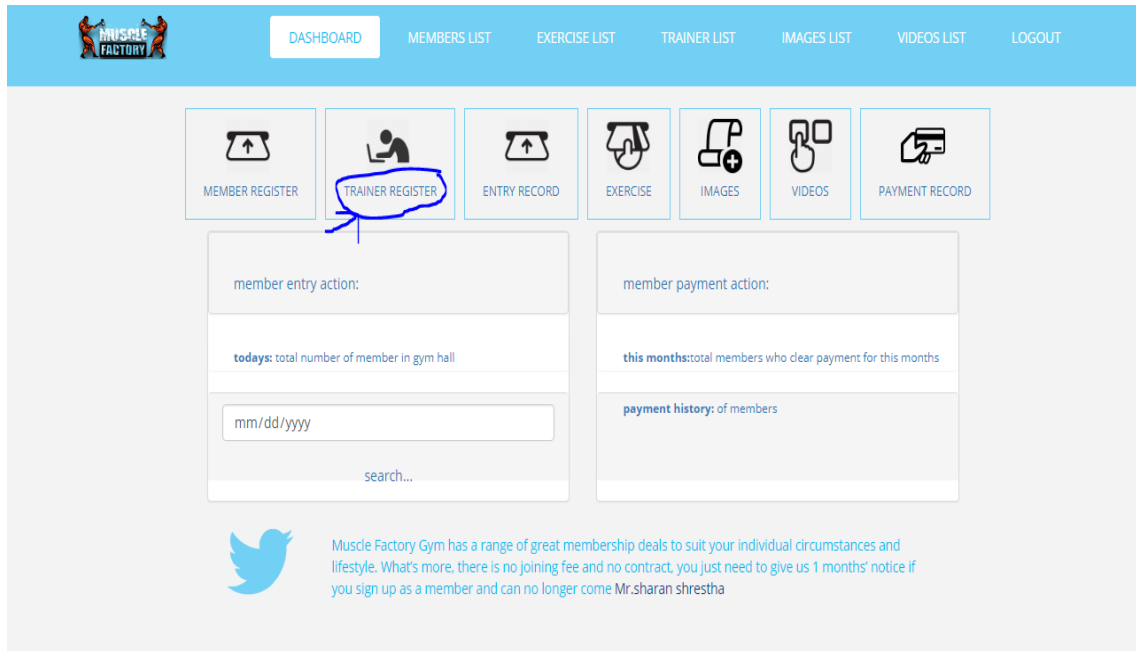

5) And to delete member click on delete button left to edit button.

<div>  <div> DASHBOARD MEMBERS LIST EXERCISE LIST TRAINER LIST IMAGES LIST VIDEOS LIST LOGOUT </div> </div>
